Evers statement on election

MADISON – State Superintendent Tony Evers issued the following statement regarding Scott Walker being re-elected governor of Wisconsin.

“I offer my congratulations to Governor Walker on his re-election. Governor Walker and I are the proud fathers of Wisconsin public school graduates. Our state has a long and storied tradition of supporting public education, and we recognize that investing in our public schools and libraries secures our children’s futures and Wisconsin’s prosperity. I look forward to working with the Governor and the legislature to build on our foundation of success.”
